FÁBIO MARTINS

Frontend Developer

ABOUT ME

Freshly out of my Computer Science and Programming Degree, I am a hardworking and passionate person, eager to secure an entry-level Front-end position. Ready to help the team achieve company goals and eager to improve myself into a better me.

HOBBIES

I like to read and I'm a gaming enthusiast. My primary goal when arriving at Computer Science and Programming was to create my own game. Right now, that remains a free-time activity.

LANGUAGES

Portuguese – Native
English – B2

EDUCATION

1st Cycle Degree: Computer Science and Programming
2019/09 – 2022/07
Universidade de Aveiro – Aveiro, Portugal
Worked with ReactJS, VueJS and a REST API on the Camellia Cultivar project as the frontend developer.

High School Diploma
2016/09 – 2019/06
Escola Secundária de Carregal do Sal – Carregal do Sal, Portugal

EXPERIENCE

Think Twice – Frontend Team
2021/04 – 2021/05
Integrated the frontend team, responsible for creating the Think Twice's event website, which was developed with ReactJS.

Núcleo de Estudantes de Informática AAUAv - Member of the Academic Section
2021/01 – 2022/07
Organized events of recreational nature in order to provide students with a more pleasing academic life.

Bombeiros Voluntários de Carregal do Sal - Volunteer
2018/11 – 2022/02
Volunteered as a firefighter, helping especially with telecommunications, and driving ambulances.

SKILLS
